Claim #1 On July 31st Warden M. Lefevers placed a Keep Separate on E. Miller and myself. Per the doc Policy here you have to be family, Co-defendants, or enemies. We do not fit the Criteria what so ever. She didnt follow proper protocol and abused her authority. Causing me to be placed in danger Multiple times in a result of getting stabbed twice. Per policy We never had a "ICA hearing" Which is mandatory.

Claim #2 Once the Keep Separate was placed Warden Lefevers Lied to me Multiple times Making promises to remove the Keep Separate. She Promised Once E. Miller and myself gave up information leading to a conviction of another inmate that they're now investigating. She promised to remove it once we remained charge free and got a job. Which we did. After we gave her what she wanted she then began to be Sarcastic, Laughing at me, and Mocking me being a bully. It Caused me to self harm and slit my throat. My

Civil rights have been violated. I've been denied the opportunity to work because of me being a part of the LGBT community and having this keep separate with E. Miller. E. Miller and myself never have received a charge together nor been in trouble together. Warden M. Lefevers has not only manipulated me, but has put me in danger giving over information that could have killed me. That being said every keep separate with people having the same issue has been removed, but ours. We've been discriminated against and it's unfair and violates my right. Please help me and make this right. Thank you
